Central Research Area & Theoretical Key Points

Executive Summary	2
Central Research Area & Structure of this Work	9
Research Timetable	11
Literature and Sources	12
Interviews and Scientific Method	15
A.	18
Theories of International Relations	18
A.1.	19
Realism, Liberalism and Constructivism	19
A.1.1.	21
Realism	21
A.1.2.	22
Liberalism	22
A.1.3.	27
Problems of Classic theories of international politics	27
A.1.4.	30
Constructivism	30
A.2.	35
Norms of Japanese Foreign and Security policy	35
A.2.1.	35
Bilateralism	35
A.2.2.	37
Antimilitarism	37
A.3.1.	39
Norms of Chinese Security policy	39
A.3.2.	39
'National Unity' & 'Non-interference'	39
A.3.3.	43
Independence and Non-alliance	43
A.3.4.	46
The Normative Value of Nuclear Weapons	46
in Chinese strategic thinking	46
A.4.	48
East Asian Security Environment in the 1990s	48

Chapter I The Issue - Why Missile Defense is Back

I.	52
Why Missile Defense is <i>Back</i>	52
I.I	54
Causes & Developments of the Issue	54
A)	54
Missile Defense as Result of Unhampered proliferation and	54
B)	58
Missile Defense as Alliance Issue	58
C)	59
The psychology of missile defense needs	59
I. II	62
Characteristics & Military Functions of Ballistic and	62
Cruise missiles – Why are they a Threat?	62
I.II.I	62
Technical background	62
I.II.II	63
Technical advantages of ballistic & cruise missiles	63
I.II.III	67
Monetary advantages of ballistic & cruise missiles	67
I.II.IV	67
Psychological dimension	67
I.II.VI	68
Political dimension	68

I.III	Cognitive Assessment and security evaluation	
	- The reemergence of the missile defense debate in East Asia	70
I.III.I	U.S. and Japanese Threat-Assessment in the 1990s	72
I.III.I.	A: The Pre-1998 assessment	72
I.III.I.	B: The Post-1998 Assessment	76
I.III.II.	The “New China Threat” – Constructing a ‘construct’?	84
I.IV.	Initiative & Implementation	89
I.IV.I	Japan’s sensitive handling of TMD	89

Chapter II The Evolution of Ballistic Missile Defenses (BMD), 1944-2003

II.I.I	Origins: BMD from WW II to the End of the Cold War	96
II.I.II	Technological Imperatives and Technological Developments, 1950s-1970s	96
II.I.III	The new dimensions: SDI (Strategic Defense Initiative), 1983-1990	108
II.I.III.I	Soviet perception of SDI	
	– Traits to current Chinese criticism of NMD	114
II.I.III.II	Chinese Views on SDI	115
II.I.III.III	SDI as Alliance issue	118
II.I.III.IV	US-Japanese Joint Research on SDI	119
II.II	GPALS (1991-1993)	123
II.III.	Bottom-Up Review - BUR (1993-2001)	125
II.IV.	TMD & NMD (2001 – 2003: the current status)	127

Chapter III Theater Missile Defenses (TMD): The Current System Configurations

III.I.	Current TMD Systems and Subsystems	130
III.II	Ground-based TMD Segments	131
III.II.I	The Lower tier: PAC-3 Components	131
III.II.II	The Upper tier: THAAD Components	135
III.III.	Sea-based TMD Segments	137
III.III.I	Aegis Weapon System (AWS)	138
III.III.II	Lower tier Navy Arial Defense (NAD) components	140
III.III.III	Upper Tier Navy Theater Wide /	
	Sea-based Midcourse Defense components	142
III.III.IV	Strategic momentum for Tokyo	145
III.IV.	Boost Phase Interception Tools: Lasers	146
III.IV.I	Space-based Lasers	148
III.IV.II	Airborne Lasers	150

Chapter IV China's Perceptions and Reactions to a Defensive Shield

IV	Approaching China's Perceptions & Reactions to BMD	154
IV.I	Perceptions of a Defensive Shield	155
IV.I.I	Targeting China?	155
IV.I.II.	A Purely Defensive Purpose?	158
IV.I.III.	Is BMD a Trap?	161
IV.II.I.	China's View on National Missile Defense (NMD)	
	-The SDI critique revisited?	163
IV.II.II.	China's View on Theater Missile Defense (TMD)	168
IV.II.II.I	China's View of TMD in Taiwan	169
IV.II.II.II	China's View of TMD in Japan	176
IV.III.	China's Opposition to Space-based BMD assets	
	— A Matter of Principle or Pragmatism?	181
IV.IV	Summary – Similarities with Soviet critique	185

Chapter V Theater Missile Defenses (TMD) in the East Asian Context - China's Security Environment

V.	Geographic setting and Historic legacy	188
V.I	Neighbors to the North and West	192
V.I.I	Russia	192
V.I.II	The Central Asian States	196
V.II.I	Neighbors to the South – India and Pakistan	200
V.II.II	India and TMD	204
V.III.I	China and Southeast Asia (SEA)	207
V.III.II	Territorial Disputes in the South China Sea – Roots of Conflict	208
V.III.III	Territorial Disputes	
	- Strategic Significance of the South China Sea	210
V.IV	The Korean Peninsula	215
V.IV.I	Strategic setting in the 1990s	215
V.IV.II	Seoul's Policy towards the North and PRC-ROK Trade	217
V.IV.III	Beijing's 'North Korea Problem'	220
V.IV.III.I	North Korea's Missile threat	221
V.IV.III.II	North Korea's State Terrorism	223
V.IV.IV	Japan's and the US' stake in the Korean Peninsula	226
V.IV.V	TMD in South Korea	229
V.IV.V.I	Historic Development	229
V.IV.V.II	China & The Korean Peninsula	
	- Weighing economic and strategic aspects	238
V.V	Relations with Japan	239
V.V.I	Economic Dynamics	239
V.V.II	Political Dynamics in the 1990s	241
V.V.III	Military dynamics in the 1990s and 2000s	245
V.VI.	Taiwan	251
V.VI.I	Cornerstones of Cross-Strait Relations	251
V.VI.II	Taiwan's place in US-Japanese security arrangements	255
V.VI.III.I	The 1995-1996 Taiwan missile crisis	

	- Doing more harm than good for Beijing?	256
V.VI.III.II	The strategic value of Taiwan for China	258
V.VI.III.III	The strategic value of Taiwan for the US-Japanese Security Alliance	260
V.VI.IV.	TMD in Taiwan	261
V.VI.IV.I	Factors influencing Taipei's TMD aspirations	261
V.VI.IV.II	TMD: Implications for the PRC and ROC	266

Chapter VI Theater Missile Defenses's impact on Chinese Strategic Thought & Missile Modernization

VI.I	TMD, RMA and Kosovo – TMD's impact on Chinese Strategic Thought	270
VI.I.I	The Concept of Asymmetric Warfare	271
VI.I.II	People's War (PW)	273
VI.I.III	Local War (LW)	277
VI.I.IV	The RMA School	283
VI.II	TMD's influence on China's strategic missile modernization	292
VI.II.I	Importance of Missiles for China A) Compensation Effect B) Deterrence Effect	292 293
VI.II.II	Characteristics of China's Missile Modernization	294
VI.III	Implications of TMD/ RMA for Chinese missile forces	298
VI.III.I	China discusses its options	299
VI.III.II	Summary – Efforts to heighten the survivability against TMD	301
VI.III.III	Interpreting China's Missile modernization	305

Chapter VII Japan and 'BMD': What TMD means to Japan

VII.	TMD and Japan: Threat response or Alliance issue?	308
VII.I	Missile Threat and threat perception	311
VII.II.I	The strategic impetus behind Japanese TMD - A Defense against what?	315
VII.II.II	A new kind of threat potential - the rationale of the "rogues"	321
VII.III.	Alternatives to TMD	324
VII.III.I	<i>Alternative I:</i> The US nuclear umbrella – Cold War fossil or legacy?	325
VII.III.II	<i>Alternative II:</i> A nuclear Japan – Is the nuclear option feasible?	329
VII.III.III.	The Pros & Cons of TMD deployment for Japan	339
VII.IV	Why TMD is also an Alliance Issue	342
VII.V.I	"To strengthen the Post-Cold War US-Japan Security Alliance" - For who's sake?	344
VII.IV.II	The 'binding character' of TMD	357
VII.V.	Implications of TMD operation for Japan's 'Peace Constitution' – Struggle Between Political Norms and Military Necessity?	367
VII.V.I	TMD operation and the issue of Article 9	367
VII.V.II	TMD and Collective vs. Individual Self-Defense	371

VII.V.III	TMD and Japan's 'Non-Military Use of Space'	390
VII.V.IV	Arms Export Constraints	394
VII.VI	TMD and command restructuring – Military and Political Issues	397
VII.VI.I	Japanese dependence on US information input	397
VII.VI.II	Current Japanese Command and Control Systems	401
VII.VI.III	C2 systems: Balancing military objectives and political dilemmas	404

Conclusion	410
-------------------	------------

Appendix A Basics of ballistic Missile Types & Technology

A.I.	Types of Ballistic Missiles	416
A.II.	Status of a Missile Program: Flight-test - Production – Deployment	419
A.III	Phases of a Ballistic Missile's Flight	420
A.IV	Components of a Ballistic Missile	422
A.V.	Launch Platforms	425

Appendix B Theoretical Perspectives on Missile Defense & Use of Space

B.I.	Theoretical Perspectives on Missile Defense & Use of Space	427
B.I.I	Defense Concepts	428
B.I.II	<i>Preemptive, Passive, Active</i> Defenses - The Military Perspective	428
B.I.III	The Concept of Mutual Assured Destruction (MAD) - The Psychological Perspective	430
B. II.II.I	Schools of Thought - Theories on the military use of space for BMD purposes	430
B.II.II.II	Applied Policies on the Use of Space – The Historical Perspective	432
B.II.III	Japan's stance on the usage of Space	436

Appendix C 'Thwarting China's Impending Greatness'

Analyzing China's Perception of World Order & Emotional Conflict with Japan and the US

C-I.	Chinese Views of World Affairs and its actors	439
C-I.I.	The World in Chinese Assessment - 'Inevitable' World trends	441
C-II.	China's Conflicting View of Major Actors	450
C-II.I	The United States - admittedly mixed signals	450
C-II.II	Japan	461
C-II.III	Russia and Europe	467

Bibliography	469
