Introduction .....	111
New challenges through international community's changes .....	112
The role of nuclear weapons in a changed global environment .....	115
Nuclear arms control and disarmament efforts .....	118
Conclusion .....	123
Bibliography .....	125
 Marco Roscini	
Negative Security Assurances in the Protocols Additional to the Treaties Establishing Nuclear Weapon-Free Zones .....	129
1. Introduction .....	129
2. The security assurances contained in the NWFZ protocols .....	131

3. The statements formulated by the nuclear weapon states on signing and/or ratifying the NWFZ protocols .....	134
4. The legal nature of the statements formulated by the nuclear weapon states: Reservations or interpretative declarations? .....	138
5. Negative security assurances and NWFZs: An evaluation .....	143
Bibliography .....	145

Kari Möttölä

Tactical Nuclear Weapons in Europe – A Case in Indigenous Arms Control? .....	149
Introduction .....	149
Tactical nuclear weapons in the global context of disarmament and non-proliferation .....	150
Defining and identifying tactical nuclear weapons .....	153
Europe as a nuclearised region in the Global Zero perspective .....	156
At the focus of extended deterrence: NATO nuclear sharing in Europe ..	158
The grand TNW debate in the Alliance and beyond .....	162
A way ahead: proposals for arms control solutions .....	168
Concluding remarks .....	170
Bibliography .....	171

Hakan Akbulut

Regional Implications of a Nuclear Armed Iran – The Turkish Matrix .....	177
Turkish-Iranian relations: from discord to the Tehran Declaration .....	179
Nuclearization: too many cons, uncertain gains .....	182
Turkey, the non-proliferation regime and NATO .....	188
Conclusion .....	194
Bibliography .....	196

Magdalena Skrzypczyk

The Nuclear Hypocrisy .....	201
Introduction .....	201
The non-use of nuclear weapons – a theoretical discussion .....	202
Limited use of deterrence theory .....	203
The nuclear taboo .....	205
Nuclear non-use: Taboo, norm, tradition, or just a good fortune? .....	206
The norms .....	207
Evolution of the nuclear taboo .....	208
Nuclear weapons in war plans .....	211
Conclusion .....	213

**Multilateral Institutions**

Markus Kornprobst/Charlotte Spencer-Smith

Beyond the Prague Agenda: Reconsidering the Legitimacy

of the Non-proliferation Regime .....	221
Introduction .....	221
Securing compliance I: negative and positive sanctions .....	222
Securing compliance II: legitimacy .....	224
Substantive legitimacy: the ‘shadow of the future’ .....	225
Procedural legitimacy: gold standard, laissez-faire, and the spur of the moment .....	227
Conclusion .....	230
Bibliography .....	232

Wolfgang Bednarzek

Nuclear Verification and National Sovereignty:

A Long-Term Analysis of IAEA Safeguards .....	235
International organizations: The question of independence .....	235
Verification and sovereignty .....	237
Organized hypocrisy .....	238
Talk – decision – action .....	240
Adaptive ambiguity .....	246
Towards unlimited flexibility? .....	249
Bibliography .....	250

Simon Tauer

Preventing the Spread of Nuclear Weapons to Non-State Actors:

UN Security Council Resolution 1540 and the Long Way towards Full

Implementation .....	255
Understanding the nature of UNSCR 1540 .....	256
Existing instruments for effective implementation .....	259
Problems with implementing UNSCR 1540 .....	261
Possible ways for a more effective implementation of the resolution .....	266
Conclusion .....	270
Bibliography .....	271

Markus Woltran	
The Proposals for a Multilateral Fuel Bank .....	273
Introduction .....	273
A well known vision .....	274
The 11 proposals .....	276
Barack Obama's vision of a nuclear free world and the multilateral nuclear fuel cycle .....	288
Conclusion .....	289
Bibliography .....	291

## **Conclusion**

Heinz Gärtner	
Non-Proliferation, Disarmament and Engagement .....	297
Engagement .....	297
Disarmament and non-proliferation .....	297
A comprehensive approach .....	298
Nonproliferation and arms export .....	300
The IAEA .....	301
Iran and North Korea (DPRK) .....	303
Conclusion .....	306

<b>About the Contributors</b> .....	307
