List of Figures . . . . .	v
List of Tables . . . . .	vii
List of Abbreviations . . . . .	viii
Acknowledgement. . . . .	xiii
1 Introduction . . . . .	1
1.1 Context and Research Questions . . . . .	1
1.2 Research Design and Methodology . . . . .	3
1.3 Constraints and Scope of Research . . . . .	5
1.4 Chapter Overview . . . . .	7
2 Climate Change and the Challenge of Adaptation: Setting the Context and Framing the Problem . . . . .	11
2.1 The Science of Climate Change: Key Terms and Main Findings . . . . .	11
2.2 Adverse Effects of Climate Change. . . . .	15
2.2.1 Vulnerable Key Sectors . . . . .	16
2.2.2 Vulnerable Regions . . . . .	20
2.3 Defining and Conceptualising Adaptation. . . . .	26
2.4 Summary . . . . .	34
3 Adaptation to Climate Change and the Paradigm Shift towards Managing the Unavoidable: Evolution of Policy . .	37
3.1 Locating Climate Change Adaptation within Global Climate Policy . . . . .	37
3.1.1 Adaptation within the United Nations Framework Convention on Climate Change . . . . .	38

3.1.2 Adaptation within International Climate Negotiations . . . . .	43
3.2 Tracing Climate Change Adaptation within Research. . . . .	48
3.3 Placing Climate Change Adaptation on the Development Agenda in the Light of Sustainable Development and Poverty Reduction . . . . .	53
3.4 Exploring the Securitization of Climate Change and Adaptation . . . . .	59
3.5 Summary . . . . .	65
<b>4 Mainstreaming Climate Change Adaptation into Development Assistance and Organisational Practice of the International Donor Community: Theoretical and Analytical Framework . . . . .</b>	<b>69</b>
4.1 Theoretical Framework: Thinking about Organisations as Open Systems . . . . .	70
4.1.1 Historical Development and Key Contributions towards an Open-Systems View of Organisations . . . . .	71
4.1.2 Applying an Open-Systems View to Development Aid Agencies . . . . .	82
4.2 Analytical Framework: Basic Ideas and Entry Points for Mainstreaming Climate Change Adaptation into Internal Organisational Practice . . . . .	85
4.2.1 Rhetoric and Strategic Policy Level . . . . .	91
4.2.2 Organisational Level: Working Units and Human Resources . . . . .	98
4.2.3 Procedural Level: Portfolio Screening, Climate Proofing and Marking Adaptation . . . . .	104
4.2.4 Instrumental Level: Tool Development . . . . .	110
4.2.5 Project Implementation Level . . . . .	114
4.3 Climate Change Adaptation and Mainstreaming Challenges .	120
4.3.1 Competing Development Priorities and Mainstreaming-Fatigue . . . . .	120

4.3.2 Conceptual Vagueness and Decision-Making in the Face of Scientific and Political Uncertainties . . . . .	122
4.3.3 Funding Issues of Climate Change Adaptation . . . . .	124
4.3.4 High Level of External Cooperation and Internal Integration . . . . .	127
4.4 Summary and Synopsis of Screening Results of the International Donor Community . . . . .	129
<b>5 Climate Change Adaptation and Mainstreaming Practice in German ODA: In-depth Case Study and Empirical Research . . . . .</b>	<b>135</b>
5.1 Some General Remarks on the System of German Development Cooperation . . . . .	136
5.2 Policy Commitment and Strategy Formulation on Climate Change and Adaptation . . . . .	140
5.3 Organisational Restructuring and Human Resources . . . . .	148
5.4 Integrating Climate Change Adaptation into Internal Operational Procedures: Portfolio Screening and Climate Proofing . . . . .	152
5.5 Tools and Advisory Services on Climate Change Adaptation .	159
5.6 Adaptation Project Implementation . . . . .	164
5.7 Funding Climate Change and Adaptation . . . . .	175
5.8 Summary . . . . .	181
<b>6 Climate Change Adaptation and Implications for German ODA: Critical Debate and Learning from a Case Study . . .</b>	<b>185</b>
6.1 International and National Environment: Riding the 'Climate Wave' and Dealing with Political Uncertainties and Shifting Priorities . . . . .	186
6.2 Managing Differing Organisational Interests and Maintaining Policy Coherence . . . . .	191

6.3 Strengthening Strategic Planning and Organisational Commitment . . . . .	199
6.4 Putting Climate Proofing and the Rio Adaptation Marker into Internal Operational Practice . . . . .	204
6.5 Consolidating Tool Development on Climate Change Adaptation . . . . .	209
6.6 Climate Funding: Great Expectations vs. Great Illusions for New and Additional Money? . . . . .	211
6.7 Ensuring Adaptation Action in Vulnerable Countries . . . . .	215
6.8 Enhancing Coordination, Collaboration and Joint Learning . . . . .	219
6.9 Mainstreaming Item: Conceptual and Methodological Issues of Adaptation . . . . .	224
<b>7 Conclusion . . . . .</b>	<b>229</b>
7.1 Climate Change Adaptation and Key Findings at Policy Level . . . . .	229
7.2 Key Findings at Practice Level: Mainstreaming Climate Change Adaptation into German ODA – What it Shapes and What it Takes . . . . .	232
7.3 Organisations as Open Systems: Theoretical Considerations and Empirical Results. . . . .	240
<b>Bibliography . . . . .</b>	<b>245</b>
